VOTE EXPLANATION

Mr. HAWLEY. Mr. President, had there been a recorded vote, I would have voted no on the motion to lay before the Senate the House Message to accompany H.R. 5746.

S. 2972

Mr. GRAHAM. Mr. President, on Friday I was made aware that due to an administrative error, Senator WARREN was mistakenly added as a cosponsor to S. 2972, my bill to repeal section 230 of the Communications Act of 1934. The error was made through no fault of Senator WARREN or her staff. I am working with the cloakroom to ensure her name is removed from the bill as soon as possible.

RECOGNIZING 20 YEARS OF THE VILLAGE MOVEMENT

Mr. WYDEN. Mr. President, I wish to honor a dedicated and creative organization serving communities throughout Oregon and the Nation, celebrating 20 years of allowing senior citizens to stay in their homes while providing access to affordable care and community. The Village Movement is founded on the principle of neighborliness and provides comfort, care, and affordability while maintaining dignity.

This wonderful movement started in 2002 with a group of community-dedicated friends who did not want to leave their community in retirement. Intent upon staying, the friends launched the Beacon Hill Village in Massachusetts to provide residents who were 50 and older practical support and confidence to stay in their homes and live their lives independently.

This idea soon caught on, with similar villages springing up all over the country, including in Oregon. There are now 14 villages throughout Oregon bringing services to senior citizens in the comfort of their own homes. The Movement supports what is often called "aging in place" by developing a nurturing network of volunteers and access to services and social opportunities that are both sustainable and community-based.

Every village is member-driven and self-governing, allowing them to respond to the needs of each community. The Movement has also expanded to include adults of all ages living with disabilities, preserving the humanity and dignity that is so important in every stage of life.

I have long viewed aging in place as a bedrock principle for improving quality of life for seniors and those with disabilities. Years ago, I started the Independence at Home Program, which helped primary care providers visit frail seniors in their homes. This helped them avoid unnecessary and potentially dangerous travel and remain in their homes longer than they would have otherwise.

I have also been proud to lead legislation as a part of the Build Back Better agenda that would put home care on a more even playing field with institutional care. These important efforts can build on one another, alongside organizations like the Village Movement, to create a rich tapestry of health and social supports for Americans as they age.

Without a doubt, the Village Movement has set a fine example of how communities can help support their neighbors. It is an honor to recognize the Village Movement for its service to the United States—and Oregon in particular.

TRIBUTE TO ANDY BRUNELLE

Mr. CRAPO. Mr. President, along with my colleagues Senator Jim Risch, Representative MIKE SIMPSON and Representative RUSS FULCHER, I congratulate Andy Brunelle on his remarkable career in government service. Andy is retiring on January 31, 2022, after 27 years with the U.S. Forest Service.

For more than 20 years, Andy has worked with our offices in his position as the Capitol City Coordinator for the U.S. Forest Service. In this position, he has represented both the U.S. Forest Service Region 1 and Region 4 and the seven National Forests in Idaho as he has served as a liaison working with State and local government officials, Agency directors, Idaho's congressional delegation, and interest groups in Idaho on issues of statewide concern. Given the importance of the natural resources and species habitat on the more than 20 million acres of Federal forested land in Idaho he has acted on behalf of, Andy has worked on many challenging issues over the years. This includes working closely with our delegation concerning improving and extending the Secure Rural Schools Program, a vital resource for Idahoans. We thank him for his thoughtful, helpful, and pragmatic work for the betterment of our great State and country.

Andy began working for the U.S. Forest Service in 1995 after serving as special assistant for natural resources in the Office of Idaho Governor Cecil D. Andrus. From 1988 to 1995, he was the Governor's key staff person on a wide

variety of natural resource issues, including challenging issues such as water quality, Federal lands management, and protection of Snake River salmon. Additionally, he served on the Northwest Power Planning Council, Boise City Planning and Zoning Commission, and City of Boise advisory committees. Andy also dedicates considerable time to serving on boards of nonprofit organizations, including the Boise WaterShed Exhibits Environmental Education Center, Idaho Environmental Forum, Ted Trueblood Chapter of Trout Unlimited, and Harris Ranch Wildlife Mitigation Association.

As we wish Andy well in his well-earned retirement, we express our deep gratitude for dedicating so much of his time and talents to enhancing, sustaining, and conserving such an essential part of our State's treasures. Thank you, Andy, for your decades of dedicated work and skilled problem-solving on behalf of Idahoans, and congratulations on your retirement.

TRIBUTE TO LINDSAY NOTHERN

Mr. CRAPO. Mr. President, I congratulate Lindsay Nothern, a cherished member of my staff who is retiring from Senate service.

In Ralph Waldo Emerson's famous poem about how to measure success, he concludes, "to know that even one life has breathed easier because you have lived. This is to have succeeded." I am among the many who have breathed easier because of Lindsay. He has represented me, spoken for me, written for me, and provided outstanding counsel. He has aptly communicated the needs of Idahoans and kept Idahoans informed about the happenings in Congress. For example, this includes him taking a direct interest and involvement in advocating for Idaho domestic violence victims and Idahoans affected by Cold War era above-ground nuclear testing, often referred to as "downwinders." He has taken on each challenge with great compassion and persistent optimism.

Prior to joining my staff, Lindsay was a journalist and worked in news management. He also served as press secretary for former Idaho Governor Phil Batt and campaign press secretary for Representative MIKE SIMPSON. Lindsay has been with me since I began my Senate service in 1999. I am so grateful my then communications director insisted on waiting until Lindsay was available to bring onto the staff. Lindsay has been with me ever since, moving from press secretary to communications director in 2011. Throughout, Lindsay has been patient, kind, empathetic, a great listener, and a trusted adviser.

Thank you, Lindsay, for your service to this extraordinary branch of our government, and, most importantly, your service on behalf of the great people of Idaho. I understand you have said you have had two of your three wish-list jobs—bartender, radio disc
